

Dear Parent/Carer

STRIKE ACTION – 30 NOVEMBER 2011

As you will be aware from the National Media, public sector trade unions are planning to strike over proposed government changes to pension schemes. We have now received confirmation that all school trade unions (other than ASCL) intend to strike.

I am therefore writing to let you know that the school will be **closed to all students on Wednesday 30th November 2011. This includes both the Stockhill Street and Halifax Road sites.**

I have assessed the situation with senior colleagues, taking advice from the local authority particularly with regards to the health and safety of the students and feel that this is an appropriate course of action.

Yours sincerely

Janet Pruchniewicz
