
HOME LEARNING

- To access the VLE go to the school website and click on the mortar-board/graduation icon (second from the right at the top) or go directly to <https://vle.w-h-s.org.uk>.

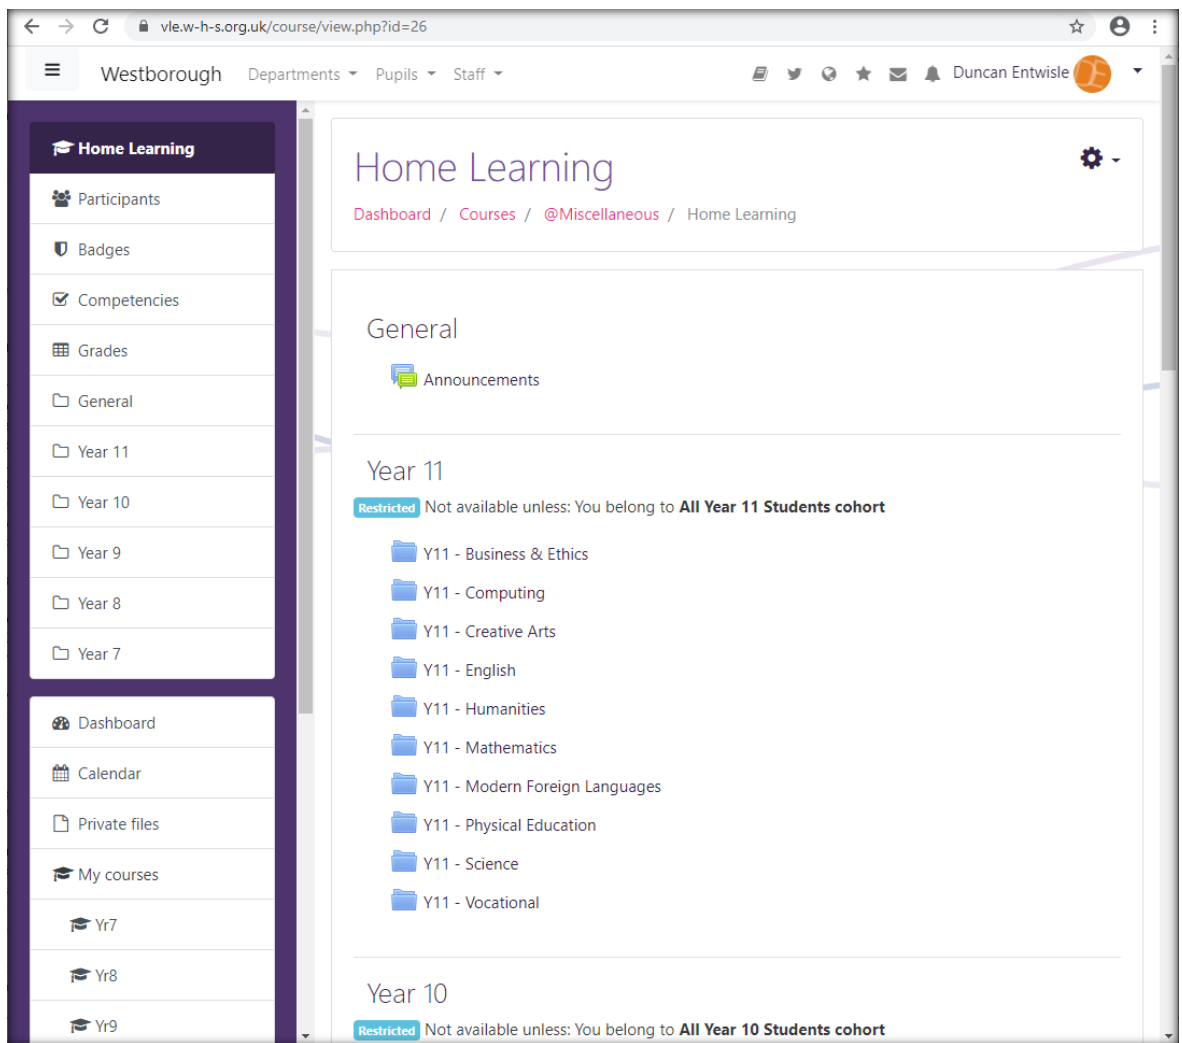

- Log in with username and password you use to login to Windows at school. Do not use your email username, or your Sleuth username.

- You'll see a new course called "Home Learning" when you login – click on it:

- The "Home Learning" course will open and you'll see a section for your year group:

- There's a folder for each school department¹ we have in school.
- Click on the folder for each department you're taught in to find work that you've been set. Make sure you follow their instructions about what to do: Sometimes it will be obvious, sometimes they'll add instructions, sometimes they'll email you. If you get stuck, please email your teacher for advice - they'll try their best to help.

¹ Creative Arts covers Art; Design & Technology; Food Technology; Textiles; Music; Drama etc.
