

## Suspected Covid-19 Symptoms

1

### Suspected case of Covid-19:

- A new continuous cough
- A high temperature
- A loss of smell or taste

Do not visit your GP, pharmacy or hospital. Check your symptoms  
<https://111.nhs.uk/covid-19/>

2

### Start Isolating:

- You for 10 days from onset of symptoms
- Your household for 14 days from onset of symptoms

<https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection>

3

### Book a test:

- NHS.uk/coronavirus
- Or call 119

<https://www.nhs.uk/conditions/coronavirus-covid-19/testing-and-tracing/get-a-test-to-check-if-you-have-coronavirus/>

Inform school that you have booked a test.

4a

### Negative result for Covid-19
