

Remote learning: top tips for parents and guardians of pupils with SEND

1. In addition to the top tips for parents, if your child is having issues accessing the remote learning due to sensory needs such as a visual impairment email jpeake@w-h-s.org.uk
2. If your child is having issues accessing the remote learning due to task's set being too difficult or not enough scaffolding or structure, please email the teacher directly or call the school (01924 469549) and ask to speak to the member of staff.
3. Here are some resources you may wish to use with your child that will further support their SEND or give you advice and help.
