

# TP School Research Champions withdrawal form from data processing for parents National Tutoring Programme – Tuition Partners

Dear Parent / Guardian,

We are writing to let you know that your child’s school is participating in the ‘The National Tutoring Programme - Tuition Partners’ (the TP programme). The TP Programme provides subsidised tuition for pupils needing additional support during the 2020/21 academic year as a result of the school closures due to the Covid-19 pandemic. The programme is being funded by the Department for Education and managed by the Education Endowment Foundation (EEF).

A consortium led by National Foundation for Educational Research (NFER) is evaluating the TP Programme to find out if it has an impact on children’s attainment and to identify ways to improve tuition delivery in the future. Your child’s school has signed up to be a TP School Research Champion as part of the programme’s evaluation, which will involve them sharing pupil data for all pupils in year groups where tuition is being delivered.

As a TP School Research Champion your child’s school has committed to provide additional information which will specifically contribute to the evidence base about the impact of tuition. A Privacy Notice at [https://www.nfer.ac.uk/media/4312/eetp\\_rc\\_parent\\_privacy\\_notice.pdf](https://www.nfer.ac.uk/media/4312/eetp_rc_parent_privacy_notice.pdf) summarises what personal data will be collected, and how this data will collected, used, shared and protected. We have robust procedures in place to make sure that we comply with the requirements of GDPR.

If you are happy for your child’s data to be used for this evaluation, **you do not need to return the reply slip**. However, if you would prefer your child’s data not to be shared, stored and used for this project, please complete the form below and return it to either Dr Shahein, Mr Garside or Miss Yates, within one week of receiving this letter, no later than **Wednesday 24<sup>th</sup> March**. If you would like to withdraw your child’s data from the evaluation at any subsequent stages again please inform Dr Shahein at Westborough High School or if you have any queries please contact us via email at [TuitionPartners@nfer.ac.uk](mailto:TuitionPartners@nfer.ac.uk)

Yours sincerely,

Kathryn Hurd  
Head of Survey Operations  
National Foundation for Educational Research
