

January 2022

Dear Parent/carer

Year 10 Parents' Evening
Wednesday 9 February 2022 – 4.00 p.m. to 7.00 p.m.

It is wonderful to have your child back with us in as close to normal circumstances as possible and it is such a significant year for them in what has been very different and at times, difficult circumstances. That said, here at Westborough we are committed to working with yourselves and your child to make sure they have the best experience and leave school with the best grades possible so that they can begin the next phase of their journey.

With this in mind, we have opted to have parents' evening in person this year so that the plan for the months ahead is clear with regards to what support your child needs throughout their time in Year 10 and 11 for each subject. The parents' evening will be held at school with your child's subject teachers and appointments can be booked via SchoolCloud (please see attached help sheet.)

On arrival at school, please adhere to all the guidelines that remain in place to help keep everyone safe and to allow the evening to run smoothly.

It is important that you attend your child's parents' evening and meet with staff at the specified times so you are able to review their progress with their subject teachers and discuss the support available. GCSE exams will be going ahead next year as normal so it is important that we all work together to support the pupils to make sure they have the knowledge they need to succeed.

I cannot impress upon you enough the importance of your support with this in order for your child to get the very best outcomes and we look forward to meeting you on Wednesday 9 February 2022.

Please do not hesitate to contact Ms Marsden (cmarsden@w-h-s.org.uk) if you have any further questions or need to update your contact details.

We look forward to seeing you on the evening.

Yours sincerely

Mr S Aziz
Assistant Headteacher
