

WHS Y11 Careers information

UPDATE FOR PARENTS 17/02/22

September – December 2021

- We had live assemblies with the leaders of all the main post 16 providers in our area. Recordings of all assemblies are on MS Teams.
- We had the opportunity to visit all the post-16 providers at their Open events. Some in person, some virtually.
- Students were given guidance on the types of course available, and entry requirements. Students explored courses that they were interested in applying for.
- Students wrote up their personal statements and completed their application set up on www.get-into.co.uk
- Mock results/predicted grades and teacher references were added in in December.

January – February 2022

- Students have been sending applications. Most deadlines have now passed.
- Students can still apply for Kirklees College, Wakefield college, and Leeds City College. This includes applying for apprenticeships which are still open.
- Some students have already had some interviews/guidance meetings.
- Students getting interview guidance in form time.

March 2022 onwards

- Most interviews will happen in March after the next mock exams.
- More Open events are still taking place for apprenticeships and for the big colleges.
- For information about open events...
 - <https://www.get-into.co.uk/events>

August 2022

- If students have achieved the grades required, they are offered places and can accept any of their offers and enrol.
- if students have improved their grades a lot from the predications, they can contact post 16 providers and “upgrade” their choices.
- If students don’t achieve the grades they required for any of their offers, they will have to change courses according to the grades they have achieved.
