- July 2027 Enjoy holidays
- August 2027 Results day (Thursday 19th August) + College enrolment
- September 2027 Start Post 16 Education

Year 11 Post 16 Information evening
Wednesday 23rd September 2026

Westborough High School

Careers Education - Year 11

This term, you have 3 priorities from a careers perspective...

1) Explore your post 16 options. We will provide assemblies, careers fair, information about open events, advice about websites to explore, interviews with careers advisor etc. But students must be active quickly to learn about options and to make decisive decisions

2) Study hard for the best possible mock results.

Positive November mock grades are crucial for successful college applications, especially English and Maths. The importance of achieving grade 4/5 or better in Maths and English if students want lots of options for post 16 study, and don't want to resit next year.

3) Behave in a positive way. Your form teachers will be writing your references in 2 months. If you can be "good" for the next 2 months, you should get a great reference and probably great results as a consequence.

Year 11 Post 16 Information evening
Wednesday 23rd September 2026

Westborough High School

Careers Education - Year 11

Kirklees College – 65 Students
Wakefield College – 18 students
Greenhead College – 15 students
Mirfield College – 15 students

A LEVEL RESULTS: AUGUST 2026

Leeds
Mathematics
School

We are delighted that LMaStudents have achieved exceptional A level results:

- 61% of grades are A* or A
- A quarter of students achieved two or more A* grades
- 90% of university places are at Russell Group or Guardian Top 30 institutions

gc Greenhead College
the exceptional

CONGRATULATIONS *Class of 2026*

99.1% A Level pass rate

64.7% of all grades at A*-B

86.3% of all grades at A*-C

31.7% of all grades at A*/A

As always the profile of our grades shows a very strong bias towards the upper range of grades. 85% of the A Level results were at grade C or better and 80% of these grades were either A*, A or B.

GRAMMAR SCHOOL

Have you looked at exam results or OFSTED inspections for post 16 centres?

ALLIANCE STRUCTURE

CODE OF CONDUCT

ENRICHMENT **

GORSE GETS HEALTHY

OFSTED

The inspection took place on 9 and 10 May 2024 and we are thrilled to announce that Ofsted have confirmed that we continue to be an 'Outstanding' provider in all aspects of our work.

The full report can be downloaded by [clicking here](#) or by visiting the [Ofsted website](#).

There are some truly remarkable comments made throughout the report, however there are a number that are worth highlighting:

Elliott Hudson College Is An 'Outstanding' Provider Again!

'Students flourish at this outstanding college.'

'Students value the sense of community where they can be their authentic selves, celebrate their differences and rejoice in what makes them unique.'

'Students are highly motivated to learn and develop their individual skills and ambitions. Attendance is very high.'

Have you looked at exam results or OFSTED inspections for post 16 centres?

Every college has an online prospectus.

You can look at them any time...

Let's explore the Wakefield College Prospectus...

Which type of course will suit you?

Wakefield
have
something
for
everyone

WHO'S A GOOD FIT FOR A LEVELS?

You might like A Levels if you're the kind of person who:

- + Enjoys academic learning and delving deep into subjects.
- + Wants to focus on a few areas of interest rather than a mix.
- + Is comfortable with exams and independent study.
- + Plans to go to university and needs specific qualifications to get there.
- + Likes structured lessons and clear academic progression.
- + Wants to keep future options open whilst still heading in a focused direction.
- + A Levels suit students who are curious, motivated and ready to explore subjects in depth. They're a solid choice if you've got a good idea of what you want to study long-term - or if you want to keep doors open whilst you figure it out.

WHO'S A GOOD FIT FOR VOCATIONAL COURSES?

You might prefer Vocational courses if you:

- + Learn best by doing, not just listening or reading.
- + Want practical, hands-on experience from day one.
- + Are aiming to get job-ready skills in a specific industry.
- + Prefer coursework and real-world tasks over traditional exams.
- + Like working in realistic settings including workshops, studios, clinics and kitchens.
- + Want a direct path into employment or higher-level technical study.
- + Vocational courses are ideal if you're career-focused and want to build real skills you can use right away.
- + Our wide range of subject areas put you closer to the job market from the start.

WHO'S A GOOD FIT FOR APPRENTICESHIPS?

You might be right for an Apprenticeship if you:

- + Want to earn while you learn.
- + Prefer being in a real work environment over a traditional classroom.
- + Like learning by doing, with clear purpose and practical outcomes.
- + Are ready to take responsibility and build independence.
- + Want to gain qualifications and on-the-job experience at the same time.
- + Are motivated to start your career path now, not years from now.

WHO'S A GOOD FIT FOR T LEVELS?

T Levels might suit you if you:

- + Want a mix of classroom learning and real-world work experience.
- + Are interested in a specific career area and want to go deep into it.
- + Like the idea of a course that's technical, practical and academically challenging.
- + Want a qualification that can lead to university, an apprenticeship or a skilled job.
- + Are happy to commit to a longer work placement as part of your course.
- + Prefer a structured programme with clear goals and outcomes.
- + T Levels are ideal if you want the best of both worlds academic study plus serious industry experience.
- + They're designed with employers, so everything you learn connects directly to real job skills.

HOW DOES IT FIT INTO YOUR FUTURE?

Our wide range of courses are built to prepare you for whatever comes next, whether that's higher-levels of study, university - including our own University Centre at the Heart of Yorkshire Education Group - or stepping straight into employment.

WHAT'S NEXT?

BEFORE YOU APPLY FOR A COURSE, CHECK:

- + How the course is taught
- + What kind of assignments are required
- + How you'll be assessed
- + If you can actually imagine yourself doing the work and liking it

COURSE TYPE	ENTRY REQUIREMENTS
Vocational – Entry Level	No formal entry requirements.
Vocational – Level 1	3 GCSEs at Grade 1-9. Exact requirements will vary depending on the subject.
Vocational – Level 2	4-5 GCSEs at Grade 3-9. Exact requirements will vary depending on the subject.
Vocational – Level 3	4-5 GCSEs at Grade 4-9, including English Language and Maths.
A Levels	5 GCSEs at Grade 5-9, including English Language and Maths at Grade 4 or above. Exact requirements will vary depending on the subject.
T Levels	5 GCSEs at Grade 5-9, including English Language and Maths. Exact requirements will vary depending on the subject.
Apprenticeships – Level 2	5 GCSEs at Grades 4-9 or equivalent, including English Language and Maths GCSEs at Grade 2-3 or equivalent.
Apprenticeships – Level 3	Typically require 3-4 GCSEs at Grades 4-9 including English Language and Maths.
Apprenticeships – Level 4	Require a Level 3 qualification such as A Levels or a T Level or BTEC National and relevant experience. Requires English Language and Maths GCSEs at Grade 4-9 or equivalent.

This is still good for some of you.

And you can get onto Level 3 eventually

This is what most of you really want to be doing at college next year

This Higher Education for students aged 18+

WHAT DO OUR STUDENTS SAY?

"After achieving my A Levels, I secured an Apprenticeship as a detective for West Yorkshire Police. It has always been a dream of mine since I was younger to be in a field where you really made an impact and get to look after people. Sociology was my favourite subject as it's really fascinating; I love learning about people and the theory behind why they do things."

Anaiya

Studied English Language,
Sociology and Criminology

OUR APPRENTICESHIPS

EARN WHILE YOU LEARN

Apprenticeships offer the perfect blend of hands-on experience in the workplace and theoretical learning in the classroom. They're designed to help you gain the skills, knowledge and confidence you need to succeed in your chosen industry – all whilst earning a wage.

WHAT'S INVOLVED?

An Apprenticeship is a paid job where you gain industry-recognised qualifications and learn from experienced mentors. It includes:

- + Paid employment with holiday leave
- + Practical experience in a real working environment
- + At least six hours per-week off-the-job training (or 20% of part-time hours)
- + End-point assessment leading to a nationally recognised qualification

HOW TO BECOME AN APPRENTICE

Before you enrol, you'll need to be employed in your chosen sector. If you don't yet have an employer, we can help you search, prepare your CV and connect you with local businesses we work with.

HOW LONG DOES IT TAKE?

The duration of an Apprenticeship depends on the role, your prior experience and the industry. Most last between 12 to 36 months.

If you're unsure about what to include in your application or need help finding the right role, contact our Apprenticeships Team on 01924 789469 or at apprenticeships@heartofyorkshire.ac.uk

School

At Westborough High School we are committed to delivering a valuable Careers Programme to all our students as soon as they begin their secondary education.

► Information Evenings

- Key Stage 3
- Key Stage 4
- Labour Market Information
- Pupil Destinations

Information to help you is on our website...

For the remainder of this evening (till 6:30PM)

In the canteen...

- Talk to college reps in the canteen
- Ms Du Quesnay (deputy head) will also be in the canteen ready to talk to you

In the Computer room

- Mr Mahmood (careers lead) will be on hand to help you explore anything online now or answer follow up questions
- Kirstie Walker (our careers advisor) is also here to answer any of your questions

Thank you for attending!
